

Returning Participants:

We are using a new registration platform in 2019. If you are a returning participant and it is your first time in the new registration system, we suggest you login with your email address and use the FORGOT PASSWORD link in the Log In section. By using this link, you will receive an email link that will allow you to create a new password. Please check your SPAM/JUNK folder if you don't receive it.

If you are unsure which email we have on file for you, please contact me, Tom Charlton, and I will be glad to help with that info.

Below are the steps to reset your password to your account:
